

Welcome To SABIS® Webschool

INTRODUCTION TO WEBPARENT

Once you send in your WebParent request form you should receive an automated email with your username and password as well as a link.

The link to Webschool is: <https://www.webschool.sabis.net>

[Please note the image cycles and may not say 'Parent' until the other pictures cycle through]

In the upper left corner please use the default information sent to you in the email for the first time you login. You will have the option to change your username and password if you like.

The screenshot displays the SABIS Webschool WebParent interface. At the top left, there is a login section with the SABIS WEBSCHOOL logo, a 'Username' input field, a 'Forgot Password?' link, and a 'LOGIN' button. The main visual is a photograph of a smiling family (a man, a woman, and a young girl) in front of a computer monitor showing the website. A vertical banner on the right side of the image reads 'WEBPARENT'. The bottom navigation bar contains three main sections: 'STUDY ABROAD PROGRAMME at SIS-UK Bath, England' with a 'CLICK HERE' button; '8th SABIS® Regional Tournament' with a 'Video Clip (CLICK HERE)' link; and 'SABIS® School Network' with a world map. A copyright notice '© 2012 Webschool, by SABIS®' is located in the bottom right corner.

This is the Performance bar. This bar will allow you to begin your review of your student's information. Please note not all choices are currently used as they are in development.

The screenshot displays the SABIS WEB SCHOOL interface. At the top right, the user name 'Brenda E. Rivera' is shown with a dropdown arrow. Below the header is the 'Performance' section with tabs for Progress Overview, Academic, Attendance, Discipline, SLO, KG Report, and Preplist. The main content area is divided into several widgets: Homework (listing assignments for Jeyleen and Sheyleen), Announcements (no announcements), Photo Gallery (no photos), Survey (no surveys), PreList (no Preplist), Student Download, and Downloads (no files). At the bottom, there are links for SABIS® Newsletter and SABIS® Videos. A large red arrow points from the bottom of the Performance bar area towards the text box below.

This is the Options arrow. This arrow will allow you to change your username and password.

This area has been in development and currently is being used by the teachers to enter your student's homework assignments or notes to you. Other features in this area may start to be used as well.

Once you click on the Academic [or any other] link the view will change moving the choices from the top of the page to the left side.
