

The personal supply list and classroom supply list for all grades is below. Please read over this carefully to know what your child needs to bring each day to school. Since students will not be using school lockers, they will keep all their materials with them in a book bag. Due to COVID, there are no “community supplies”, so your child will be required to carry everything they need to be successful in their backpack. The teacher will collect and hold anything “extra” and will distribute these items as needed during the school year.

As students will not have anywhere to store daily supplies, we ask that only necessary items are brought with them each day. Backpacks with wheels are welcome.

Kindergarten List
